Calvin Christian School Annual Ski Trip

Snow Valley, Barrie

Dear Parents of Grade 7 and 8 Students,

We are once again planning to go skiing at **Snow Valley**, just outside of Barrie on Friday February 17, 2012. The plan is to leave the school, by bus, around **7 AM** and return to the school around **6:30 PM** that evening. Cost, all taxes included, can be calculated by using the chart included.

Safety is an important priority for all the sports. All students with previous skiing, blading or snowboarding experience are given the opportunity to demonstrate their ability at a stripe test. Those unsuccessful with their stripe test or who are new to the sport will be directed to lessons with certified instructors. As students develop the appropriate skills, they will graduate to appropriate hills. All students and chaperones must wear helmets. They are provided as part of the ski package unless you have your own, approved helmet.

Snow Valley Ski Resort requires that a waiver be signed by each participant (please see attached note). Snow Valley will not allow any student access to their facilities unless this waiver has been signed. In addition to the waiver, **Snow Valley** has a policy that if their rental equipment is damaged due to poor or inappropriate use by the renter, the replacement cost is assumed by the renter.

Many students have their own equipment. It can be a challenge to get all this equipment on the bus. If you are available to drive and accommodate the equipment in your vehicle, could you please let the organizers know.

Please fill in the **Ski Trip Form**. Each student must indicate on the form **one** choice of activity. A combination of activities is not allowed as abilities for different events require different tests. Please indicate your choice on the sheet and send back to the school by **Wednesday February 8, 2012** with a cheque payable to CCS and a completed and signed waiver so that we can confirm our booking as soon as possible. In case of cancellation due to conditions or weather, cheques will be shredded.

Finally, **Snow Valley** allows us one chaperone for each group of ten students. If you would like to come along for the day as a chaperone please sign at the bottom of the ski trip form and return to the school by **Wednesday February 8, 2012**. If you are in need of rental equipment an equipment sheet can be found on the school's website. Please be mindful that the number of students participating determines the number of chaperones that we can take. You will be notified by **February 10, 2012**. All chaperones take turns being on the hill, in the chalet and at the tubing facility. We may be able to take additional parents as space permits. We will keep you informed via the Courier.

For more information, please visit Snow Valley's website at www.skisnowvalley.com.

Copies of each of these forms will also be available on the school website or email Mrs. Greidanus at rjemail@sympatico.ca for copies of the form you need.

Thank you.
