

Welcome to Jubilee School!

Jubilee School provides a day time program for 4 year old children of Christian families. Your child must be 4 years of age by December 31. At Jubilee School, your child will have an opportunity to learn, to interact, to create, to experience, to enjoy... all within the context of a Christian environment. Jubilee School is located in the beautiful, roomy 2nd Kindergarten room at Calvin Christian School (CCS).

The annual fees (Sept. - June) are \$1,000 for two mornings per week, and \$2,000 for two full days per week. There will be school bus transportation if space is available. Transportation is free for CCS tuition paying families; there will be a nominal fee for others. There is no mid-day bus transportation.

We wish to keep things simple, so there are no CCS registration and membership fees for Jubilee School. A Christian church membership is a requirement for admission into Jubilee School. (Please note that a complete admissions process, as per CCS admission policy, is required for entry into the CCS Senior Kindergarten program. Those families who wish to begin that process a year early, will be able to deduct the CCS membership fee of \$300 from the SK registration fee of \$500.)

Jubilee School sessions will be held from 8:50 - 12:00 or from 8:50 to 3:25 on Tuesday and Thursday. We will arrange to have volunteers assist the teacher and help supervise lunch time for those students enrolled for a full day. A session will be cancelled if there are less than 10 children registered. Please complete this registration form and forward it to the school's office.

Thank you.

Please attach a cheque of \$100 as a deposit with the registration form. The cheque should be made out to Jubilee School. The money will be refunded if the sessions are cancelled. You will be billed for the remaining amount.
