**PRIVATE VIOLIN LESSONS AT CCS
REGISTRATION FORM**

We are pleased to arrange for private violin lessons at CCS.

Helen Donker is a certified music teacher and has given violin lessons for many years. In general, lessons will take place at CCS on Tuesdays and/or Thursdays during school time. If you are interested in having your child(ren) take violin lessons, please complete this form. We will forward the completed form. All subsequent discussions and arrangements, including payments, will take place between the parent and the music teacher. Helen Donker can be reached at 905-526-6828. Please be aware that you will have to obtain a violin. Instruments can be leased through music stores. (CCS has been dealing with Long & McQuade in Burlington for its band program.) The cost per lesson will be \$18.

Please return this form by Friday, June 11.
