Message from the Campaign Chairman, Tony Steenbeek

I am pleased to announce that the CCS Light the Path Campaign has reached \$1,244,196. That is 54% of our total goal of \$2.3 million!

This campaign is vitally important to us as it will pave the way for continued financial stability, property fiscal management, and stabilization of tuition fees. This initiative will help build the community of CCS.

Together as a community of parents, past parents, grandparents, students, alumni & friends, through serving one another, we can fulfill the financial obligations of nurturing our children in Christian education.

All this will be possible by placing our faith and trust in our great and gracious Father, and by responding to God's call to steward all that He has created to be used for His Kingdom and His glory. If you haven't already done so, please consider a pledge towards the campaign goal of \$2.3 million.

I would also like to give thanks to all who have supported our campaign thus far. We are very grateful for the dedication of our committed volunteers who have given their time, talent, and resources—to assist us in our capital campaign efforts. It truly is heartwarming to know that we have such great supporters of Christian education and in particular, Calvin Christian School.

In Christ,

Tony Steenbeek

Message from Ted Postma, Principal

Dear Reader,

Calvin Christian School has now embarked on the public phase of its **"Light the Path Campaign."** The title of this campaign is derived from the school's text: "Your word is a lamp to my feet and a light for my path" (Ps. 119:105). God's word shapes us and distinguishes us. It shows us the way we, as His people, must go, and it guides us along that path.

The title of this campaign also ties in very nicely with the school's theme for this year: **"Let Your Light Shine."** As individuals, CCS students and teachers are encouraged to imitate the Lord Jesus through words and deeds so that God is glorified. As an entire school, we are encouraged to continue to let the light of Jesus and His word shine through the programs — such as service projects.

Indeed, **"Light the Path Campaign"** can be associated with the school's text and this year's theme. Ultimately, the campaign is intended to help sustain and apply the importance of God's word and the light of Jesus in the lives of our students. We need and are grateful for your prayers and support.
